Academic Summer in London

Join us for a stimulating and demanding academic summer experience at DLD College in the heart of London. Spend your morning sessions overlooking Westminster and the Thames, then fill your afternoons discovering all that the capital has to offer.

DLD is a newly constructed, cutting-edge school featuring state-of-the-art classrooms, a theatre, a dining hall, a coffee shop, round-the-clock security, and an opulent boarding home.

All of your needs are met under one roof. Single ensuite bedrooms are provided, as well as twin rooms upon request.

Adventurers – 7 to 12 (day only)

Our Adventurers in London will find a welcoming environment full of learning and fun from 8:15/30 to 17:00/15 Monday through Friday. Your child can enjoy an exciting trip or activity after a morning of learning.

Explorers – 12 to 14 years old

We give you a taste of what awaits you in the UK system in years 9 and 10. You will learn English, math, science, social studies, and art.

Engagers – 15 to 17 years old

This program provides four study blocks per week and is designed for students in years 11 and 12 in the UK school system. You can select your subjects, and we will create an individual timetable based on your selections. We provide the following courses:

-  Applied mathematics
-  Art
-  Biology
-  Chemistry
-  Drama & music

-  Economics, business & entrepreneurship
-  English
-  Environmental systems & societies
-  Essay writing
-  History & politics

-  Literature
-  Media studies
-  Physics
-  Presentations & interviews
-  Psychology
-  Theory of knowledge (ToK)

Get Ready for Medicine – age 15+

A two-week intensive course designed specifically for students interested in studying medicine. Our interactive and innovative program is led by medical students studying in the United Kingdom.

The course includes:

- A First Aid course that leads to a certificate
- Visits to medical facilities such as hospitals, general practitioners, and medical research facilities
- Workshops on teamwork, leadership, communication, and problem-solving; clinical scenarios and medical ethics
- Clinical consultation with a doctor
- Practicals in biology and chemistry, including a heart dissection
- Practice for personal statements and interviews / UKCAT and BMAT

CLIL (Content and Language Integrated Learning)

CLIL (Content and Language Integrated Learning) is the foundation of our teaching methodology. You study academic subject content while also improving your English language skills. You will broaden your academic knowledge, improve your essay writing skills, and sharpen your higher-order thinking abilities (critical, logical, reflective, metacognitive and creative thinking).

Sample week

	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
8.30	Arrivals Greenwich	Morning assembly					Explore Oxford	Hampton Court
9.00		Lessons						
12.30		Lunch						
13.30		Lesson						
		Wembley Stadium tour	Buckingham Palace	Tate Modern	Oxford street	Florence Nightingale Museum		
18.30		Dinner						
19.30	Movie night	China town & Be a Leader	Parliament Square	Park games & Be a Leader	Shopping	Disco & Be a Leader	Bingo	Team building
22.00	Back to boarding							

"Everyone is so nice. People will just come to you and say hi. You become extrovert naturally on this camp. I do not like talking in class, but here I love it a lot. This camp will change you completely. Be a leader certificate – it helped me so much with the application to my school, as it is internationally know certificated. There is so much happening..."

Academic Summer in Bristol

Bristol is our beautiful, rural campus in the south-west of England, nestled in the Mendip Hills and close to the city of Bristol. Sidcot School is a traditional boarding school with a large, beautiful campus that includes a swimming pool, sports hall, tennis courts, sports fields, arts centre, dining hall, and coffee shop.

Sidcot is only 45 minutes from Bristol city centre and two hours from London, making it the ideal location for exploring the UK's major attractions while relaxing in the tranquil countryside.

Adventurers – 7 to 12 years old

Our young adventurers participate in primary school-style lessons that include English, math, science, social studies, and the arts. Lessons, field trips, and activities are all centred on a weekly theme, which helps to bring everything to life. Adventurers are regularly joined by Shipmates, a holiday club for local children based at Sidcot School. We participate in many activities together, providing our young learners with a unique opportunity to communicate and socialize with native speakers.

Explorers – 12 to 14 years old

We give you a taste of what awaits you in the UK system in years 9 and 10. You will learn English, math, science, social studies, and art.

Engagers – 15 to 17 years old

Academic Camp in Taunton

On the outskirts of the beautiful market town of Taunton lies Queen's College, Taunton. Famous for cricket and cider, Taunton is 90 minutes from the centre of London by train and is now Academic Summer Camps newest home.

Academic Summer Camp has joined forces with Queen's College, Taunton to offer a summer camp to remember. Queen's College Taunton has a long history of delivering high-quality camps to local students so you'll be able to practise your English and make new friends with native English speakers all while learning new skills and expanding on your talents!

Adventurers – 10 to 12 years old

Developing your curiosity during your first camp experience.

Explorers – 13 to 14 years old

Prepare for GCSE. Exploration and discovery in education.

Engagers – 15 to 17 years old

Prepare for A Levels or IB. Engage in in-depth learning and plan for the future.

You can choose your morning and afternoon camps and enjoy some more academic options or enjoy more activity and sport based camps. Some of these are offered by Queen's College teachers and some from our experienced teachers. After lessons, you will join Academic Camp for Be a Leader, excursions and round-the-clock care and supervision as well as lots of exciting trips in the area.

Here's an example of some of the camps that will be running:

 Arts & crafts

 Adventure

 Applied maths

 Debating

 Design & technology

 English workshop

 Entrepreneurship

 Environmental impact /
Stewardship

 Food & nutrition

 Film club

 Football

 Performing Arts

 Presentations, interviews &
public speaking

 Robotics

 Science workshop

 STEM

 Writing workshop

Contact us for more information as this list is not exhaustive. We might just have exactly what you are looking for.

CLIL (Content and Language Integrated Learning)

CLIL (Content and Language Integrated Learning) is the foundation of our teaching methodology. You immerse yourself in the camp's content while also improving your English language skills. Your communication, presentation, critical and strategic thinking, organisation, and time management abilities will all be enhanced by participating in one of our camps. A highly developed set of soft skills, such as empathy, respect, optimism, adaptability, and integrity, will be among the things you take away from the camp. Come spend the summer with us and experience your confidence grow.

New Brunswick

Academic Camp Canada – New Brunswick

New Brunswick, located on Canada's Atlantic coast, provides the ideal setting for an authentic Canadian Camp experience. The province's beautiful beaches, rivers, and forests provide ample opportunities for outdoor activities such as freshwater swimming, hiking, paddleboarding, kayaking, and outdoor survival. The region is well-known for its extreme tides, whale watching, and the invention of the toilet flush!

Rothesay and the surrounding area has a thriving arts scene, which includes park concerts and street theatre. We'll spend four days on campus, followed by three full-day weekend excursions to fully appreciate the wonders that await us.

Sample week

	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
8.30	The Range at Rockwell	Assembly	Assembly	Assembly	Assembly	Hopewell Rocks – the most extreme tides in the world	Whale watching

* Be a Leader: CPD accredited leadership course- lecture style learning, career and personality testing and group activities designed to develop lifelong leadership skills.

** Elective: chose from sport, arts or outdoor education. Elective choices are subject to availability and student demand and cannot be guaranteed.

"I have got the opportunity to discover new places and explore the area while doing many fun new activities. Overall it was such a fun experience in which I learnt so much!"

Belen (16), Spain

Academic Camp Canada provides all of the benefits of Academic Summer Camps with a twist.

In 2023, we will collaborate even more with Rothesay Netherwood School (RNS) to offer the full boarding experience alongside their exciting camps. Rothesay camps primarily attract local students, so you'll be surrounded by Canadians your age all day, practising your English!

Adventurer (10–12 years old)

Developing your curiosity during your first camp experience.

Explorers (13–14 years old)

Exploration and discovery in education.

Engagers (15–17 years old)

Engaging in more in-depth learning and planning for the future.

As part of our fantastic programmes, we are giving you the opportunity to choose from our academic camps or to participate in any of RNS's camps. You can choose from a variety of RNS camps, perhaps you'd like to join a Robotics, Leadership, Film, or Chess club or you want to do Academic Camp Canada's options such as Public Speaking, Writing Workshop or STEM. After lessons, you will join Academic Camp Canada for Be a Leader, excursions, electives, and round-the-clock care and supervision as well as lots of exciting trips in the area.

Here's an example of some of the camps that will be running:

 Entrepreneurship

 Film

 Get Outside

 STEAM

 Coding

 English Workshop

 Public Speaking

 Model UN (MUN)

 Debating

 Multi-sports

 Writing workshop

 Environment impact

 Basketball

 Soccer

Academic Camp Germany

Join us in Germany and reside in a majestic castle not far from Cologne, Dusseldorf, and Bonn.

Schloss Heessen in Hamm, North Rhine-Westphalia, will host Academic Camp Germany. You can enjoy the school's beautiful grounds while living in dorm rooms inside the historical castle, which even has its own island next to the Lippe river.

Subjects can be studied in German, with the option of some English lessons.

This program is ideal if you plan to study in Germany or stay in the EU for the summer on an academic program. Students who want to study at German universities will have the opportunity to learn more about it during the course.

Sample week

	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
8.30	Arrivals	Morning assembly					Cologne – cathedral and chocolate museum	Hamm water-skiing
9.00		Lessons						
12.30		Lunch						
13.30		Lesson						
		Relax and recharge Be a leader* Elective**	Dortmund football stadium	Relax and recharge Be a leader* Elective**	Historical Munster	Relax and recharge Be a leader* Elective**		
18.30	Explore Dusseldorf	Dinner						
19.30	Team building	Arts and crafts	Kayaking	Tennis	Cooking	Shopping walk	Movie night	Bracelets making
22.00	Back to boarding							

* Be a Leader: CPD accredited leadership course- lecture style learning, career and personality testing and group activities designed to develop lifelong leadership skills.

** Elective: chose from sport, arts or outdoor education. Elective choices are subject to availability and student demand and cannot be guaranteed.

CLIL (Content and Language Integrated Learning)
